- Plus numerous SMEs

Perhaps you may recognise areas within your own business, which may benefit from the expertise that a heavyweight Interim Manager will bring. It is a cost effective solution as you only pay for the time that you need, which can be part time or full time. You also avoid the costs of permanent recruitment and employment. We pride ourselves on our quick response; we provide you with qualified CV's within 5 days of receipt of job brief.

Manufacturing Focus

The Russam GMS Manufacturing & Supply Chain Practice focus is on the key issues affecting most businesses:

- **Lean manufacturing implementation**
- **Sourcing from low cost countries**
- **Turnaround management**
- **Business development in new markets**
- **Provision of robust cost effective solutions**

We have the resources available to support initiatives in all of these key areas with IM professionals who will fit in with the existing teams and accelerate the pace of change.

Why choose Russam GMS?

- We visit you to ensure that we fully understand your needs. We contribute to the brief and we understand the growing pressure to be competitive in a global manufacturing environment
- We can find professionals with skills and business backgrounds who can integrate quickly and operate successfully.
- We have executives on our database with substantial Manufacturing & Supply Chain experience.

Meeting your Needs

With six offices in the UK, we have national coverage. Our sector-leading database (of 10,000 interim executives) and ability to search more widely allows us to source the right interim executives for you from anywhere in the UK. We submit our shortlists within five days. All assignments we undertake are handled jointly by our Head of Practice and an experienced Russam GMS Principal to ensure that we deliver what has been agreed, at the right price and within the agreed timescale.
